Drinks Compendium

Welcome to Kellas! It's with great pride that we welcome you to enjoy this beautiful building complete with its fascinating heritage and beautifully preserved original features.

Known as 'Manxonia House' for many years and before that as Port St Mary boys' school, we hope you find Kellas a warm and inviting space where lasting memories can be made.

For many years our sister company - Kella Distillers - has been creating and producing innovative spirits in our distillery in the North of the Island.

We're delighted to now be able to share our award winning ManX and Bifrost Manx Spirits with a wider audience here at Kellas. Check out Page 2 for our Signature Kellas Cocktails with a Manx Spirit twist!

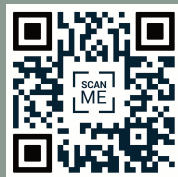

Our skilfully balanced spirits have been the recipient of Great Taste and IWSC Awards in the past, receiving high praise such as "great depth of flavour", "rich", "surprising" and "wow".

Born from the adventurous escapades of inventor Lucian Landau in the 1970's, our Manx spirits are innovatively re-distilled from the finest whisky and Cognac.

We hope you enjoy and we invite you to discover more about Kellas' Manx Spirits via the QR Code below.

Shoh Slaynt, cheers!

Becki, Founder of Kellas and 'Jack of All Trades' at Kella Distillers.
